WE'RE A MEMBER-OWNED CO-OP RESPONSIBLE TO PEOPLE AND PLANET.

We're owned by you, our members, and we're committed to serving your needs and sharing your values. We conduct business with passion and integrity, and our goal is to make a positive impact on society and the environment. Your support has enabled us to do business in a way we can be proud of.

The crisp air of September is upon us.

Saying goodbye to summer means it's time to gear up for fall festivities. As your customers prepare for autumn, let Frontier be your go-to place for tailgating, after-school snacks, baking and fall canning needs. It's also not too early to start thinking about Halloween and the upcoming holiday season ahead.

We are also eager to introduce two new brands this month:

- **Fuel For Fire®** – A line of nutritious smoothie pouches made with real fruit.
- **Maple Valley Cooperative®** – Organically produced maple products that encompass the Great Lakes and Appalachian regions.

As always, our exceptional customer service team will be here to answer questions, share what's trending and help get your store stocked for the fall months ahead. Your Inside Sales representative can assist you with a variety of educational, demo and placement programs for Frontier, Simply Organic and Aura Cacia.

Be well,
Lynette Baetsle
Customer Service Manager

COME SEE US AT EXPO EAST

If you're going to be at Natural Products Expo East in Baltimore, be sure to check out our booths: Frontier Distribution #1822, Frontier Co-op and Simply Organic #1723, and Aura Cacia #2431.

Simply Organic and Frontier Co-op brands will be sharing the grower stories behind some of our favorite spices, as well as highlighting new items from both brands. Frontier will be introducing several trending spices and seasoning blends available in both bottled and bulk packaging formats. Additionally, we're excited to feature some new brand messaging that showcases Frontier's commitment to helping improve the lives of our grower partners.

Aura Cacia will be featuring our new product introductions, such as May Chang Essential Oil; Black Seed and Organic Fractionated Coconut Skin Care Oil, extensions of our Premium Ready-to-Use Oils: Indian Sandalwood and Blue Tansy; and three new custom essential oil blends: Breezeway, Rescue Charm and Mind Guide. We'll be showcasing these new products every day of the show along with some DIYs. We'd love to have a chance to talk — hear about your store and how Aura Cacia can help you succeed.

BETTER SOIL FOR PARSLEY AND DILL

The quality of two herbs we get from our Well Earth partner in Tunisia — parsley (*Petroselinum P. crispum* var. *neapolitanum*) and dill weed (*Anethum graveolens*) — is being improved by an on-farm organic compost project funded by a \$36,000 Frontier Co-op grant.

Regenerative practices of good organic agriculture like composting help maintain the nutrients that farm soil needs to stay healthy and produce the bright, green color and delicate flavor and aroma of parsley and dill.

In Tunisia, however, finding compost that is compatible with organic certification is sometimes challenging. To ensure that our partner's farmland stays healthy and productive, we are supporting a project to produce on-farm compost to enrich 370 organic acres.

The enriched soil helps maintain beautiful, high-quality organic parsley and dill for the farmers — and our customers.

LOCAL GIVING

Frontier Co-op makes socially and environmentally conscious donations throughout the U.S. and across the world — and we also give generously here in our local communities. This local giving is channeled into four kinds of support: Community Giving, Local Partnerships, Employee Matches and Volunteer Hours.

Community Giving — An employee group receives and evaluates requests from other employees and local organizations for donations from Frontier Co-op. Donations include contributions to local schools, athletic programs, community events and charitable organizations.

Local Partnerships — A team headed by HR receives funding proposals from local organizations and funds programs most closely aligned with our local giving focus — providing healthy foods to families through support of food pantries, community gardens, distribution systems and organic farming programs.

Employee Matches — Frontier will match any employee's personal donation to local non-profits up to \$1,000 per year per employee.

Volunteer Hours — Every Frontier Co-op employee is allocated 8 hours/year of paid time off for volunteer activity, with more available from the "bank" of unused volunteer hours. Employees regularly volunteer at non-profit organizations such as local food banks and environmental organizations.

FUEL FOR FIRE®

OFF

SEE PAGE 44

Fuel For Fire's mission is to change the way people eat on-the-go by making smart snacking easy! A former professional chef and Ironman triathlete who had become frustrated with the easy, available protein options founded the company – he wanted something that was made with real food and easier to chew and digest. After experimenting with adding different protein mixes to applesauce pouches, the concept for Fuel For Fire was born – portable protein smoothies for athletes, kids or anyone on the go! Each pouch contains up to 12 grams of protein and is available in a variety of delicious flavors.

TAP INTO GREATNESS

Founded in 1991, Maple Valley became one of the original producers in fair practice, organic maple products. In 2007, they formed a cooperative with the mission of creating and marketing the finest organic maple syrup products while respecting their farmers, customers, employees and communities. Maple Valley Cooperative products are free of any additives, preservatives, and formaldehyde. Their cooperative is based in the Great Lakes and Appalachian regions of the United States. The farmers who own Maple Valley Cooperative use great effort and responsible practices to ensure quality maple and stewardship towards our planet.

Warm Skin® A Necessity For All Outdoor Activities

Families protect their children's delicate skin as they play outdoors year-round.

Professional football teams depend on Warm Skin during colder game days.

Spectators stay comfortable at football, pond hockey or cross-country competitive events.

Warm Skin is applied before work by postal employees, construction crews, first responders, miners, oil field and logging workers.

Warm Skin allows everybody to perform at their best throughout every season.

Warm Skin® All Weather Guard

Use Warm Skin® When the Temperature Changes

Warm Skin is a non-greasy moisturizer and barrier cream.

Apply Warm Skin generously to rough, cracked, dry, callused or exposed skin.

Smooth Warm Skin over entire body as the first layer of insulation. Use over or under sunscreen or makeup.

Use Warm Skin in all seasons. In cold weather, protect your skin with Warm Skin. In hot, dry weather use Warm Skin to counter skin dryness.

Provides a barrier that helps your skin retain moisture, stay warmer and protected.

The Invisible Blanket®

An outstanding "invisible base layer" for people who work and play outdoors.

Made in USA

Warm Skin® not tested on animals

Sustainable Play

"We manufacture toys with love for children through eco-friendly processes in every single step of the production..."

YERBA MATE IS OUR PASSION. WE INVITE YOU TO SHARE IT!

Presenting a pound of the finest whole-plant yerba mate that we've ever tasted. Our family farm partners produce an unsmoked yerba mate that is delicious, vibrant, and loaded with nutrients.

You'll love the Jaguar's velocity. Your customers will love its price. We love its quality. This is the yerba mate that we keep in our own cupboards at home. This is what we offer to visitors and friends. This is what we drink to greet the day.

Blocked up? Can't breathe? Discover Olbas.

Originating in Switzerland over 100 years ago, Olbas Oil is a blend of six essential oils made from healing herbs. Essential oils are pure plant remedies - some of nature's secret weapons in maintaining wellness.

The synergistic Olbas formula was carefully developed from these plants to provide extraordinary benefits:

Peppermint Oil
An aromatic stimulant that quickly enhances breathing passages.

Wintergreen Oil
Has a warm, soothing effect when used in massage, and offers pleasant olfactory properties.

Oil of Cloves
A strong, stimulating aromatic that contains natural, soothing eugenol.

Juniper Oil
Stimulates the metabolism and supports the immune system.

Eucalyptus Oil
Promotes oxygen absorption and relaxes the respiratory muscles.

Cajeput Oil
Very soothing to bronchial and sinus passages.

POWER To Breathe[®] Naturally!

purEcosheet
reusable chemical-free dryer sheets

Welcome to PurEcosheet

PurEcosheet has all the advantages of a traditional dryer sheet, with none of the chemicals. Our reusable dryer sheet eliminates static and keeps all of your fabrics fresh, soft and natural without leaving a chemical residue on your family's clothing.

It's simple to use - just put both dryer sheets in the dryer with your laundry and they will last for **hundred of loads**. Your clothing will be soft and static free, without any added perfumes, dyes, soaps or chemicals. Our hypoallergenic sheets are safe for everyone, including infants and eczema and allergy sufferers.

Clean. Fresh. Fabrics for your family.

ALL-NATURAL

— INGREDIENTS —

Savor the flavor of Pacific Northwest mint.

Wonderfully fragrant and full of flavor, mint pairs harmoniously with other ingredients and shines solo as a single blend tea. For over 40 years, we've used the most vibrant and aromatic mint in the world, grown right in our own Pacific Northwest backyard. In fact, we were the first tea company to use mint grown in this region for tea making. Decades later, we still work together

with local growers across Oregon and Washington with a shared vision inspired by quality. The result – teas packed with pure, minty flavor. Our dedicated producers work hard to deliver on peak flavor and consistency to ensure that each aromatic cup is infused with just the right amount of mintiness. **Tea is in our soul, and we exist to share that dedication in every cup.**
